

*To All Principals and Geography Teachers of Secondary Schools*

**FREE GIS Workshop:**  
**“Conducting Spatial Enquiry in the New Senior Secondary  
 Geography Curriculum”**

This Workshop is a trial run on *Module One: Managing Urban Transport* of the HKGA project “Conducting Spatial Enquiry in the New Senior Secondary Geography Curriculum” led by Dr. Becky P.Y. Loo and funded by the Education and Manpower Bureau. Each module consists of a fieldwork component involving an on-site survey and a spatial enquiry component using Geographic Information Systems (GIS). Based on the fieldwork data collected on Hennessy Road in Wan Chai, participants of this Workshop will learn to:

- Create a database by importing data and creating an entity-relationship model with Microsoft® Access
- Understand data and entity in GIS
- Practise table joins for database management in GIS
- Present data with diagrams in GIS

Date: 26<sup>th</sup> April 2008 (Saturday)

Time: 9:30am to 12:30pm
