

Department of Geography

Elizabeth Chan Cheng E-lay Geography Academic Lecture/Seminar Series

“Designing Geography Curriculum Materials: The Transition from Paper to Digital”

Speaker:

Professor Joseph Stoltman

Department of Geography

Western Michigan University

Date : 17th November, 2005 (Thursday)

Time: 2:30 – 3:30 pm

Venue:

RRS 905, Conference Room,
Sir Run Run Shaw Building, Ho Sin Hang Campus
Hong Kong Baptist University

ALL ARE WELCOME!

The digital era has impacted education in a significant way for nearly two decades. This seminar will draw upon the presenter’s experiences over the past decade working on an instructional materials design team. The design work has been devoted to taking concepts and principles in geography and presenting them to students in a digital format that blends pedagogy using textual and digital materials. The seminar will demonstrate geography content-based activities and their pedagogical applications.
