

**Forums****10:30 – 11:30****Geographical Education in Tertiary Institutions**..... 10:30 – 11:30, RM WLB308

Moderator: Prof. K.C. Lam, Department of Geography and Resource Management, CUHK

Participants: keynote speakers, faculty members of universities

**Geographical Education in Secondary Schools** ..... 10:30 – 11:30, RM WLB306

Moderator: Mr. Yeung Kam Chuen, Principal, Caritas Chun Ha Field Studies Centre, Cheung Chau

Speaker: Mr. Liu Ah Chuen, Principal, Christian Alliance SW Chan Memorial College, Fanling

Participants: teachers from secondary schools

**Faculty Seminars****11:35 – 17:30****Session A: Resource Evaluation and Management** ..... 11:35 – 13:15, RM NAB207*Chair: Prof. Bernie Owen, Department of Geography, Hong Kong Baptist University*

1. Lawal M. Marafa, Department of Geography and Resource Management, The Chinese University of Hong Kong, 'Natural resource evaluation for potential ecotourism destination: using Amenity severance as a methodology';
2. Mervyn Peart, Department of Geography, The University of Hong Kong, 'Assessing landscape value in Hong Kong';
3. Ken Wong, Department of Geography, Hong Kong Baptist University, 'Evolution of urban parks in Hong Kong';
4. Larry Chow, Department of Geography, Hong Kong Baptist University, 'World oil prices and impending oil shortage';
5. Frederick Y. Lee, Department of Geography, The University of Hong Kong, 'Water resources management in the Pearl River Delta'.

**Lunch**..... 13:20 – 14:20**Session B: Urbanization and Urban Development in China**..... 14:30 – 15:50, RM NAB207*Chair: Dr George Lin, Department of Geography, The University of Hong Kong*

1. Jianfa Shen, Department of Geography and Resource Management, The Chinese University of Hong Kong, 'Understanding urbanization in China: a new interpretive framework based on political economy perspective';
2. Simon Zhao, Department of Geography, The University of Hong Kong, 'Multinational headquarters and financial centre developments'.
3. Si-ming Li and Zheng Yi, Department of Geography, Hong Kong Baptist University, 'The road to homeownership under market transition';
4. George Lin, Department of Geography, The University of Hong Kong, 'Reinterpreting Chinese urbanism—state, society and space';

**Session C: World City and Residential Mobility** ..... 16:00 – 17:20, RM NAB207*Chair: Dr Joanna Lee, Department of Geography and Resource Management, The Chinese University of Hong Kong*

1. Carolyn Cartier, Visiting Professor, Department of Geography, Hong Kong Baptist University, 'Arts and politics in the World city';
2. Maggi, W.H. Leung, Department of Geography and Resource Management, The Chinese University of Hong Kong, 'Making a living out of "roots" and "mobility": Chinese migrant businesses in Germany';
3. Zheng Yi, Department of Geography, Hong Kong Baptist University, 'Retrospective research on residential mobility in housing reform era: study the case of Guangzhou';
4. Joanna Lee, Department of Geography and Resource Management, The Chinese University of Hong Kong, 'World city formation as a time-space cycle: the case of Hong Kong'.

**Second Conference of Geography Postgraduates****10:30–17:30****Opening Remarks** ..... 10:30 – 10:40, RM NAB209*Dr Donggen Wang, Department of Geography, Hong Kong Baptist University*

**Session A: Tourism, Sustainable Development and Management** ..... 10:40 – 11:55, RM NAB209

*Chair: Dr Donggen Wang, Department of Geography, Hong Kong Baptist University*

1. 祁新华, 中山大学, '区域旅游可持续发展的生态学透视';
2. 相阵迎, 中山大学, '产业集群理论在我国旅游研究中的应用探讨';
3. 刘浩, 华南师范大学, '广东石门台自然保护区生态旅游可持续发展对策研究';
4. Carmen Kar Man Ng, The Chinese University of Hong Kong, 'Heritage tourism as a sustainable community tourism initiative: management and marketing';
5. Kwan Kit Wong, The Chinese University of Hong Kong, 'Habitat mapping in Hong Kong'.

**Session B: Housing, Migration and Governmentality** ..... 12:00 – 13:15, RM NAB209

*Chair: Dr Maggi, W.H. Leung, Department of Geography and Resource Management, The Chinese University of Hong Kong*

1. Limei Li, Hong Kong Baptist University, 'Unity is strength: the emergence of neighborhood-based virtual communities in urban China under market transition';
2. Jianbo Liu, The Chinese University of Hong Kong, 'Inter-provincial migrations to Pearl River Delta and Yangtze River Delta: comparison based on the "age-migration rate" model';
3. 林琳, 马飞, 中山大学, '广州“走鬼”现象初探';
4. Iris Man, Hong Kong Baptist University, 'Pedestrian scheme on Hong Kong public streets: a governmentality perspective'.
5. Rosa Yip, Hong Kong Baptist University, 'A Study on the commuting patterns of Guangzhou: application of the spatial mismatch hypotheses'.

**Lunch**..... 13:20 – 14:20

**Session C: Environmental Problems, Soil Pollution, and Water Quality** ..... 14:30 – 16:15, RM NAB209

*Chair: Dr Cho Nam Ng, Department of Geography, The University of Hong Kong*

1. Shu Kee Lam and Wing Shing Chan, The Chinese University of Hong Kong, 'effect of sludge on growth and uptake of heavy metals by common bermuda grass';
2. Glorfin Wing Sze Wong, The University of Hong Kong, 'Using multivariate statistical techniques to examine spatial variability of physiochemical elements and water quality in Hong Kong rivers';
3. 刘德地, 中山大学, 'Spatial distribution and temporal variation of rainfall in Guangdong Province';
4. 温小浩, 华南师范大学, '2500a BP 以来额济纳绿洲沙丘的粒度特征及其反映的沉积过程';
5. Wong, Man Man, The Chinese University of Hong Kong, 'Transformation of exotic *Acacia confusa* woodlands into native forests in Hong Kong';
6. 罗传秀, 广州大学, '珠江三角洲江村 ZK2 钻孔沉积物粒度的环境意义'.
7. Hailong Zheng, The Chinese University of Hong Kong, 'Study on spatial variability of soil quality and soil pollution assessment in Periurban area—a case study from arable areas around industrial sections in Nanjing

**Session D: Urban Competitiveness and Development Strategies** ..... 16:20 – 17:35, RM NAB209

*Chair: Dr Li Zhang, Department of Geography and Resource Management, The Chinese University of Hong Kong*

1. Yihong Jiang, The Chinese University of Hong Kong, 'A study on urban competitiveness in China: concepts and indicators';
2. Tan Wang, The University of Hong Kong, 'Multinational corporations' strategic location and the development of financial service hubs in China';
3. 王建军, 广州大学, '全球化下外资对城市发展的影响——以广州为例';
4. 陈绍愿, 广州地理研究所, '基于生态位理论的城市竞争策略研究';
5. 王亚, 中山大学, '广东省对香港地区虚拟水贸易研究'.

**Field Trip for Secondary School Teachers (Urban Renewal in Hong Kong)**

**14:10–16:30**
