HONG KONG GEOGRAPHICAL ASSOCIATION

Dear Principal and Geography Teachers,

## Hong Kong Geography Day 2026 - Invitation to Participate

Greetings from The Education University of Hong Kong!

On behalf of the Department of Social Sciences and Policy Studies (SSPS), The Education University of Hong Kong (EdUHK), and the Hong Kong Geographical Association (HKGA), we are pleased to invite your school to participate in **Hong Kong Geography Day 2026**, which will be held on **12 December 2026 (Saturday)** at the **Tai Po Campus of EdUHK**.

Hong Kong Geography Day (HKGD) is a biennial event that brings together geography educators, researchers, students, and practitioners. It provides an excellent opportunity for secondary school students to learn more about geography studies at the university level and to explore future academic pathways.

The theme of HKGD 2026, **"Geography and Care: Nature, Communities and Sustainability"**, highlights the importance of fostering a greater understanding of the interconnections between people, places, and the environment. The event aims to bring together geography educators, researchers, students, and practitioners to exchange ideas and explore contemporary geographical issues.

The programme will feature a wide range of activities, including:

- ***Opening Ceremony*** and ***Keynote Speeches***;
- ***Award Presentation Ceremony*** for the Hong Kong Geography Olympiad (HKGEO) and the International Geography Olympiad (iGeo);
- ***Introductions to university geography programmes*** and learning opportunities;
- ***Secondary School Talks*** on geography education and learning experiences;
- ***Guided Field Trip*** to Lei Yue Mun ***(exclusively for secondary school teachers)***;
- ***Open House of SSPS, EdUHK***
- ***Student Poster and Paper Presentations***;
- ***Exhibitions*** by university geography programmes, government departments, and non-governmental organisations (NGOs); and
- Networking opportunities for teachers and students.

HONG KONG GEOGRAPHICAL ASSOCIATION

To facilitate participants' travel, complimentary **inbound and outbound shuttle bus services** between University Station (East Rail Line) and the EdUHK Tai Po Campus will be provided for all participants attending HKGD 2026.

We believe that HKGD 2026 will provide a valuable opportunity for students to broaden their geographical horizons, gain insights into university study and career pathways, and interact with members of the wider geography community.

Please find the event programme attached for your reference. We warmly invite teachers and students from your school to participate by completing the online registration form by **27 November 2026 (Friday)**.
